

Passion to
innovate

Power to
change

Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

Intern Inhouse Consulting (m/f/d)

Your Tasks and Educational Objectives

Exciting projects, exceptional team spirit and a healthy work-life-balance. This is what you can expect from **one of Germany's leading inhouse consultancies and Bayer's partner of choice** when it comes to management consulting: **Bayer Strategy & Business Consulting (S&BC)**. Here at S&BC we follow our mission to provide great project work for Bayer and drive talent development. Constant feedback, a wide range of training opportunities and a global perspective will ensure a steep learning curve throughout your journey at S&BC. Bring your expertise to one of our four departments in the areas of research & development, product supply, marketing & sales or business transformation.

- Be a member of a consulting project team working on strategy, portfolio, process or organizational topics
- Assist with project-related activities to assuming project responsibilities of your own
- Help in strategic assessments and evaluations
- Support the team in developing proposals for change together with the client, based on solid analysis through workshops, interviews and desk top research
- Get in direct contact with customers and fellow consultants
- Help to drive and implement change for improving everyday work
- Gain interesting and challenging insights into the Inhouse Consulting activities of a DAX company

WHO YOU ARE

- Currently in the main study phase of an economics/business, psychology, engineering or science degree course or in the process of completing such a course
- First experience in consulting projects, i.e. through previous internships as well as work experience abroad
- Excellent analytical and conceptual skills, professionalism, a rapid grasp of facts and enthusiasm
- Willingness to travel domestically and internationally as required
- Excellent command of English (written and spoken) is a prerequisite, German of advantage
