

We are Amplifon, the global leader in the hearing care retail industry, in Germany we operate with the Amplifon brand and together we make more possible every day. We change more lives. We work on more innovative projects and make sure everyone gets the best care possible. Our passionate teams use their talent and experience to help our customers rediscover all the emotions of sound.

Are you highly motivated and ready to take over responsibility in our company? Then we would like to get to know you!

We are looking for you to join our team at the Head Office in Hamburg as

## Internship Accounting (m/f/d)

### Your tasks:

- Collaboration in accounting: document entry, reconciliation activities, support in the processing of companies
- Support with monthly and annual financial statements
- Support in day-to-day business (accounting and payment transactions)
- Collaboration in process and project-based tasks, including the introduction of a new ERP system

### Your profile:

- Studying business administration, economics or a comparable course of study
- Good knowledge of MS Office, especially Excel
- Affinity for numbers and a high degree of diligence, organisation and structure
- Conscientious way of working
- You speak German and English fluently

### What we'll offer:

- You will get to know the processes in the accounting in a large company structure
- A working atmosphere that allows you to shape our growing company and to take over responsibility from day one
- Working in an international company with flat hierarchies and interesting development opportunities (national and international)
- An attractive salary and individual allowances
