INTRODUCTION

The ZIB WiSo offers general advice on the organisation and preparation of a term abroad within the ZIB WiSo-own study offer (STAP) as well as other study options. Students planning to spend a full term abroad outside of the ZIB WiSo offer are guided by our freemover team, which can be reached via wiso-freemover@uni-koeln.de.

There are two main options for a term abroad outside of the ZIB WiSo offer.

- A self-organised ‘freemover’ stay
  Freemovers spend their term abroad outside of a university cooperation and plan their stay themselves. Typically, freemover students have to pay tuition fees at the host institution.

- A ‘non-WiSo exchange stay’ organised by Dezernat 9 (International Mobility)
  The University of Cologne’s Dezernat 9 (International Mobility) is the University’s international office and holds various cross-Faculty partnerships, which offer a term abroad for students of the University of Cologne. No tuition fees apply. To see the full list of cross-faculty partnerships, please see here. For detailed information on the offer, please contact the Dezernat 9 coordinators.

For information concerning short-term studies abroad (‘summer schools’) please see: http://www.international.wiso.uni-koeln.de/outgoing-students/short-programs-abroad/ - other options

ORGANISING THE TERM ABROAD

Freemovers can organise their term abroad in two ways:

- By approaching an agency that provides support concerning the choice of a foreign university and the application process
- By approaching foreign universities directly (i.e. contacting the respective international office)

Non-WiSo exchange/Dezernat 9 students should seek advice with the Dezernat 9 coordinators.

WHICH UNIVERSITIES ARE AVAILABLE?

Freemovers can spend a term abroad at all universities worldwide (except for WiSo Faculty partner schools) that are officially recognised as institutions of higher education (= anabin-status H+). Please note that the ZIB WiSo’s own partner schools are only available for the STAP programme. For this reason, advice and support will only be offered for freemover studies with universities outside of the WiSo network.

Non-WiSo exchange/Dezernat 9 students please check the University of Cologne’s offer of cross-faculty partnerships and contact the Dezernat 9 coordinators.
APPLICATION PROCESS AND SUPPORT

Freemovers apply either directly with the host university or through an agency. The ZIB WiSo offers support in terms of recommendation letters etc. The outgoings coordinators may serve as contact (if requested by the host school). This support is only offered for universities that are not part of the WiSo Faculty partner school network.

**Non-WiSo exchange/Dezernat 9 students** should contact the Dezernat 9 coordinators for information on the application process.

FINANCIAL SUPPORT

Freemovers can find information on funding possibilities on the [ZIB WiSo Website](http://www.zib.wiso.uni-koeln.de). Among others, the PROMOS Programme coordinated by Dezernat 9 (International Mobility) and the “Auslandsbafög” are important funding opportunities. Please note that mobility funding through the ERASMUS programme is not available for freemovers.

**Non-WiSo exchange/Dezernat 9 students** are advised to contact the Dezernat 9 coordinators for information on funding possibilities.

CREDIT TRANSFER RULES AND ADVICE

The same rules and options for credit transfer apply for all students, irrespective of the type of exchange. Detailed information sheets on credit transfer for bachelor and master students are provided on the [WiSo Credit Transfer Center > Information > Studies Abroad](http://www.zib.wiso.uni-koeln.de). Advice and recommendations on course selection and credit transfer for the modules ‘Studies Abroad’ are offered by the ZIB bachelor and master coordinators (see page 5 ‘Overview – Points of Contact’).

CREDIT CONVERSION OF NON-ECTS COURSES

As most non-European universities do not apply the ECTS system, a conversion rate into the Cologne credit system needs to be determined. Already defined conversion rates are published on the WEX database, see [View International Options > Freemover&non-WiSo exchange](http://www.zib.wiso.uni-koeln.de). For universities not listed in the WEX database, students should contact the freemover team via wiso-freemover@uni-koeln.de before their stay abroad to request a conversion rate.

TRANSCRIPT OF RECORDS

Students should carefully check with their host school how the transcript of records will be issued. Please observe the following information:

- Transcripts are only accepted in English or German. If the transcript is issued in another language, freemovers need to request a translation from an official translation service (e.g. [here](http://www.zib.wiso.uni-koeln.de)).

**Non-WiSo exchange/Dezernat 9 students** may contact their Dezernat 9 coordinators to check translation options.
November 2017

- Master students need to show proof that their courses taken abroad are at graduate level.
- The original transcript has to be submitted to the ZIB WiSo outgoing coordinators. They will then prepare a certified copy of the transcript, which students will need in order to apply for credit transfer. To ensure your transcript is recognised as original, please check the following information:

following the steps and deadlines as defined by the University of Cologne [https://www.portal.uni-koeln.de/studium_organisation.html](https://www.portal.uni-koeln.de/studium_organisation.html). Students may opt for a leave of absence but should be aware that no exams or final thesis may be written at the University of Cologne during a leave of absence.
