This is a unique opportunity to gain insights into the finance and controlling world of a fast-moving consumer goods setting. You will work closely with the Market Controlling Team, assist with daily tasks and get lots of hands-on experience.

Accountabilities:

- Actively supporting the team in the monthly and yearly reporting
- Carrying out target vs actual analyses to ensure correct accrual accounting
- Supporting the team in their daily tasks (e.g., closure rebooking, customer invoices booking)
- Responsibility for the fleet vehicle planning

Your Profile:

- You are an enrolled student in Business Administration, Controlling, Accounting or a similar discipline
- Additionally, you possess prior experience within the Controlling/Accounting field through internship etc.
- You are fit in Excel and ideally have some SAP knowledge
- Organizational and analytical skills, a good understanding of numbers, initiative are your key soft skills
- You speak fluent German and English

Our Offer:

- You can expect freshly cooked pasta, crispbread, fruit, and drinks almost every day - of course, you will also receive discounts on our product portfolio
- Would you like a diverse sports program? We offer you excellent rates at the UrbanSportsClub and even cover part of the costs
- A great, open-minded team and an active intern community await you
- You'll grow with our learning and development programs, which have been awarded Gold Excellence by the Brandon Hall Group
- You have the opportunity to get involved in regional diversity and inclusion projects
- We convince you and you convince us - after your experience as a working student you have the opportunity to be included in our talent program "Keep in touch".
